

SEI Group Inc., Announced approval of Mentor-Protégé agreement

This past July, the Department of Defense, United States Army, approved a Mentor-Protégé agreement between SAIC and SEI.

Mr. Eloy Torrez, President, SEI Group Inc. stated in an email announcing the award “We are extremely pleased to have this association with the top systems integrator/service company in our industry. I am confident that we will benefit enormously and continue to grow SEI. We look forward to continue working with SAIC.”
